It is seen from pages 1-7-c·7 that the Ex-officio Director of Archaeology had already sanctioned 25 days furlough on average salary from 29·1·55 and subsequently for a period of one month and five days in continuation.

12) As the leave applied for by the officer exceeded 2 months, the Director has forwarded the extension leave application of the officer for sanction of Govt. The officer has applied for one month more 28·3·55 the date expiry of leave already sanctioned. The A. G has stated in his letter dated 25·4·55, that the officer has at his credit 10 months 9 days furlough leave on full pay on 29·1·55. 19) With regard to the other proposal of the Director regarding appointment of Sri M. Hanumantha Rao M.A, Epigraphist, as Acting Asst to the Director vice Sri K. Page 33 - C. 7

The Director of Archaeology has in his letter dated 29.6.55, reiterated his recommendation for appointment of Sri Hanumantha Rao as Acting Asst to the Director, on the ground that his office work would suffer.

20) Since Sri K. Narayana Iyengar has been on leave from 29.1.55 i.e for nearly a period of over 5 months. In view of the reasons & difficulties expressed by the Director on account of the absence of the Asst to the Director & in order to see that the work may not be dislocated, in-charge arrangements may perhaps be done, in consultation with the Fl. Dept, instead of the Acting arrangements proposed by the Director, which requires P.Sc Concurrence.

has been on leave continuously for the

for the conduct of work, during his absence,
are absolutely necessary. It is seen from
the letters of the Director that Sri. Hanumantha

Sir,

With reference to your letter No DAD IV/SA/861 dated 2-9-1957 on the above subject, I am directed to state that general arrangements in the interest of work take place as "in-charge" when a non-gazetted officer is ordered to fulfil the responsibilities attached to the higher posts having additional charges of the work in addition to his own. In the same manner, Sri Hanumantha Rao was also given, but there was a time lag before the order treating the officer as "officiating" instead of as "in charge" could be issued in view of the necessity to consult the Public Service Commission to regularise the appointment. When this arrangement was finalised with the concurrence of the P.S.C

final orders regularising the officiating arrangement with retrospective effect have been issued, and the action taken in this regard seems to be in order.

Yours faithfully

Sir,

I am forwarding herewith/another application for orders of Government, from Sri K.Narayana Iyengar, Assistant to the Director (on leave), for further extension of leave by one month from 28-6-1955 together with a medical certificate recommending rest for a further period of six months to his wife. Frequent applications for leave have caused considerable dislocation of the normal routine of this office.

As stated in my letter No.181 dated 29-6-1955 (Para 33-c-7) arrangements have been made to look after the routine of the office and as such I request that the acting arrangements of Sri M.Hanumantha Rao, may kindly be approved.

OFFICE OF The Director of Archaeology

Date 29th June 1955.

To

The Secretary to the Government of Mysore
Home, Forest and Agriculture Departments,
Atara Kacheri BANGALORE.I.

Sir,

Subject: Appointment of Sri M.Hanumantha Rao, M.A, as Acting Assistant to the Director Vice Sri K.Narayana Iyengar on leave.

Page 11 to 7

With reference to your letter No.C.&.D.1561/ dated 24-6-1955 on the above subject, I write to state that the Assistant Director has been appointed to carry out field work in the Department on modern lines (Please Vide G.O.No.E.19593-5/Archy.1-54-3 dated 21-3-55). His work covers the fields of Pre-history, Exploration, Excavation and Conservation, besides just signing the bills. He is a part-time officer on an allowance of Rs.100/- p.m. The regular office routine has to be looked after by the Assistant to the Director and in his absence some one has to attend to this routine and it was for this reason that Mr.Hanumantha Rao was put in charge and it would have been difficult to have carried on for these months without the diligent assistance of Mr.Hanumantha Rao. Besides his own

work pertaining to Epigraphy, he has helped considerably to clear up the arrears of work and all the pending files for over a period of nearly 5 years. He had to work hard in this regard. This has involved heavy responsibilities and additional work to him.

Further, Sri K.Narayana Iyengar has applied for extension of leave and the office work would suffer if no acting arrangements are made. Under the circumstances I request that the Acting arrangement proposed by me may kindly be sanctioned.

Yours faithfully,

K.A. Nilakanta Sastri
